Sir:

This communication is responsive to the Final Office Action dated March 16, 2004, concerning the above-referenced patent application.

**Amendments to the Abstract** are presented as a new Abstract attached to this document for insertion after the claim pages of the application (or to replace the previously submitted Abstract). Additionally, a marked up Abstract showing changes is supplied on page 3 of this document.

**Amendments to the Specification** begin on page 4 of this document.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 8 of this document.

**Amendments to the Drawings** begin on page 13 of this document, and include three attached replacement drawing sheets and corresponding annotated sheets showing changes, as

well a formal drawing for Figure 7, to replace the amended informal (now approved) drawing submitted with the previous response.

**Remarks/Arguments** begin on page 14 of this document.

Please amend the application as follows:
